1. Lunches are intended to be consumed during the lunch period. Preservatives are not used and contents are subject to spoil, and should therefore not be saved for later consumption unless refrigerated.
2. Actual Lunch Program contents may vary slightly from the published menu due to difficulties in obtaining ingredients from suppliers, seasonal shortages of certain ingredients or for various other reasons concerning availability and supply.
3. If your child has specific ethnic, religious, or other dietary needs prohibiting the consumption of certain Pizza Monday foods, or is allergic to certain ingredients included in Pizza Monday foods, then please do not enroll your child in the Pizza Monday Lunch Program.
4. Sorry, no refunds except in cases of withdrawal, enrollment changes that remove Mondays from a child's schedule, or health-related reasons. Program fees for the remainder of the program will be refunded beginning with the next program day following the week that the cancellation is received. We cannot accept cancellations for individual program days.
5. Pizza Monday Lunch Program fees are due in advance.
6. Pizza Schmizza reserves the right to cancel the Pizza Monday Lunch Program if there is an insufficient number of students enrolled. In this case, all pre-payments will be refunded.
